

7th Edition

Genetic Counseling Aids

aka the 'Greenwood Flipbook'

ABOUT THE COUNSELING AIDS

The Greenwood Genetic Center's Genetic Counseling Aids is designed for use by counselors, educators, and other genetics healthcare professionals for patient education and student instruction.

Now in its 7th edition, this book has served as a leader in the field of graphic illustration of genetic principles for patients and students alike for three decades. Utilizing contemporary graphic arts, the new edition provides new and updated depictions of complex scientific concepts that can be used to enhance genetic counseling or classroom instruction.

The new edition is available for purchase in printed form or as a digital download.

NEW PAGES

New Treatment section with Gene therapy, Clinical trials and Pharmacogenomics!
Plus WES, Secondary findings, Variant classification, and more!

UPDATED GRAPHICS

Inheritance patterns, Cell-free fetal DNA, Sporadic vs hereditary cancer, Prenatal diagnosis imagery, and more!
